

GUY MEDAL IN SILVER NOMINATION

For Award in 2024

Criteria

- The Guy Medal in Silver is awarded to a fellow of the Society in respect of a paper or papers of special merit communicated to the Society at its discussion meetings (formerly known as ordinary meetings). Other contributions to statistics may also be considered.
- Because the award is made to an individual, in the case of joint authorship of a paper the Honours Committee would need to be satisfied that a candidate has sufficient merit in their own right for the award, for example based on other published research work or of clear contribution to the paper in question. (It is therefore acceptable for the case to include a jointly authored paper cited in a previous award to another author.)

Please read through the **Guidance Notes** available at www.rss.org.uk/honours before completing the form. (The form text fields expand). **Nominations are open between 1 May to 31 October each year.**
